Attorney Docket No.: PENN0870US.NP :  
For: Bowman-Birk Inhibitor Compositions For Treatment :  
Of Muscular Atrophy And Degenerative Muscle Disease :

This is in response to the "Response to Decision" mailed on 09 October 2007.

### DISCUSSION

In a Decision mailed on 28 September 2007, the declaration of inventorship filed on 09 November 2006 was not accepted, without prejudice, because "it appears to have been assembled by adding a second page 3 of 4 to the document... The declaration is also defective in view of the un-initialed alterations to the page signed by Mr. Morris."

In response, applicants have filed a new declaration document. However, this declaration is defective because it includes an un-initialed alteration to the ZIP code portion of Ann R. Kennedy's residential address.

The Decision mailed on 28 September 2007 set a period for response as follows:

If reconsideration on the merits of this matter is desired, a proper response must be filed within ONE (1) MONTH from the mail date of this decision. Extensions of time may NOT be obtained under 37 CFR 1.136(a). Failure to timely file a proper response (specifically, an acceptable oath or declaration) will result in ABANDONMENT.

This period for response is analogous to that which would have been set in a Notification of Defective Response (Form PCT/DO/EO/916). Since applicant did not file an acceptable oath or declaration in compliance with 37 CFR 1.497(a) and (b) within the period for response, this international application stands ABANDONED with respect to the national stage in the United States.

### DECISION

The declaration is NOT ACCEPTED, without prejudice.

This international application stands ABANDONED with respect to the national stage in the United States.

Please direct any further correspondence with respect to this matter to the Assistant Commissioner for Patents, Mail Stop PCT, P.O. Box 1450, Alexandria, VA 22313-1450, and address the contents of the letter to the attention of the Office of PCT Legal Administration.
